

# ANDY TURNER

Managing Director

---

Andy has worked in the Telecommunications and IT industry for over 20 years. Initially with The Philips Electronics Group responsible for the Commercial & Business Development of mobile and data products in Western Europe, Middle East and the emerging markets of Eastern Europe and India.

Over the past 12 years Andy has held a Senior Commercial Director role with a number of IT Education and Consultancy companies in the UK and EMEA. This has encompassed periods of rapid growth mergers & acquisitions as well as assisting companies to sell their business.

Andy has a Bachelor of Science Degree in Electronics from Brunel University, a post graduate diploma in Sales & Marketing and a Fellowship from the Chartered Institute of Marketing.

Andy is a family man with a passion for sport, spending his weekends managing and coaching youth football.
