Finance Manager UK&I

Victoria has worked in Finance for 10 years and has been in the IT Training Industry for four years since joining the Fast Lane family in May 2009. Victoria is ultimately responsible for Fast Lane UK's Finance and HR Department making strategic decisions and ensuring legislation is adhered to at all times.

Victoria's role is essential to the daily running of Fast Lane, not only does she manage our accounts to an outstanding level, keeping our vendors, partners and clients happy, she also looks after all of the Fast Lane UK team behind the scenes.

Outside of work Victoria enjoys spending time renovating her house and socialising with friends. She is a real animal lover and has two dogs that she adores.
