

# Fast Lane

## Consulting & Education Services Limited

Gain the skills and confidence to innovate, deliver results, and advance your career with Fast Lane.

Fast Lane is a Global Education and Consultancy provider aligned to supporting organisations in achieving and accelerating their digital business goals. We also aim to provide our delegates with the skills and confidence to innovate, deliver results, and advance their career through Fast Lane-led knowledge transfer.

We are a trusted and accredited Learning Partner to the world's leading technology companies including AWS, Microsoft, Cisco, Aruba, Fortinet, Gigamon, Google Cloud, Palo Alto Networks, Red Hat, Splunk, VMware, and other leading vendors.

Our core competency is the outsourced delivery, development, management, and marketing of vendor-authorized technical training on advanced technologies such as AI, Cloud, Big Data and Machine Learning, and Cyber Security to name but a few.

One of our greatest assets is our award-winning pool of subject matter experts who all have real-world experience and deep technical knowledge within their respective fields.

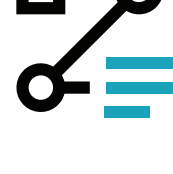

Our SMEs are guaranteed to go above and beyond the standard curricula to provide our customers with the best experience possible.

Fast Lane was recently recognized as Cisco EMEA Learning Partner of the Year (2023), VMware EMEA Learning Local Partner of the Year (2023), EC-Council ATC Best Newcomer Award (2021), AWS EMEA Training Partner of the Year (2023), Google Cloud EMEA 'Most Innovative Training Partner' (2019), Microsoft's Learning Partner of the Year (2017), Microsoft Partner of the Year Finalist (2020), and TrainingIndustry.com's Top 20 IT Training Company (2008-2022).

Fast Lane has profound global experience in building and delivering learning programs, through our range of services and expertise we can help you drive skills at scale.
